

IB English Literature HL-11th Grade Summer Reading Assignment 2017-2018

Ms. Buonopane- email me with any questions: karen.buonopane@myoneclay.net

-Required texts: *Jane Eyre* by Charlotte Brontë

-Assignment: Your summer reading assignment is to read *Jane Eyre*. You may wish to annotate the text for your own benefit as it may help you with comprehension and identifying major ideas within the work. Annotating is OPTIONAL and not a requirement.

You will be tested on the novel the first week of school. The beginning of the first quarter will be dedicated to discussing *Jane Eyre* while covering major aspects of the work like theme and character development. As I mentioned above, annotating is not a requirement, but it may help with discussing the text later on in the year.

Complete the requirements below in your composition notebook. An assignment turned in on loose-leaf paper will NOT be accepted.

- Character list WITH character descriptions: Please identify each character and provide a description.
- Setting(s): Identify each setting and provide a description for each setting.

-Materials for summer reading/class:

Composition notebook- I suggest buying a size larger (10.5x8") than the standard composition notebook.

*Please stop by my classroom if you would like a copy of *Jane Eyre-room 530*
